

### How Green Are You ?

Description: The lesson involves giving the students a quiz that will determine how much they know about being green. Students get 1 point for each correct answer. After the answers are checked and discussed the class can go to the following website where the quiz is found: <http://britishcouncil.org/languageassistant-climate.htm> to get more information.

Objective: to become aware of ways of being more 'green' and the reasons behind it.

Before giving quiz make sure students understand the use of the term 'green' as it relates to the environment.

1. You are busy in your house tidying up going from room to room spending 5 to 10 minutes in each. Which is the best way to save energy?
  - a. Switch the lights on and off every time you move from room to room
  - b. Keep the lights on as you move about the house
