

Professor Barbara Popola

School of Nursing,
MDC, Medical Center Campus

Topic: Adequate Food Sources for All Children

Students enrolled in NUR2310, Pediatric Nursing theory will read the Michael Pollen article, *Farmer In Chief*, which appeared in *The New York Times Magazine* in October 2008 at <http://www.michaelpollan.com/article.php?id=97>.

In small group discussions, they will write their own letter to the President of the United States about the hazardous impact of one of the statistics mentioned in Mr. Pollen's article. These letters will be submitted to be mailed as soon as possible. If return letters are received they will be shared with the entire class.
