

***Reflection Paper: Environmental Project Spring 2009 Prof. Danixia Cuevas***

***Please prepare a typewritten paper which answers the following reflection questions. This reflection paper is due on Wed 4/15. You will be required to give an in class power point presentation with your class members that completed this project with you. The paper must be a minimum of three pages in length, maximum five pages in length. Completion of this project includes attendance at the Organic Farm as well as the Fruit and Spice Park. Additionally, you must complete this reflection paper and participate in a group presentation in class on Wed 4/15 regarding this project. If you complete all requirements you will receive 30% of your final term grade.***

1. What were some of the environmental issues that you learned about in doing this project both at the Organic Farm and the Fruit and Spice Park?
2. Did your view of the environment change in anyway? If so, how?
3. What are some of the issues addressed in the Hard Seed Handout by Mr. Cliff Middleton owner of the Three Sisters Organic Farm. What is your assessment of his approach to sustainable Farming?
4. What are some of the ideas expressed in the Legal Conditions for Earth Survival Handout? What is your assessment of same?
- 5.. How will you take this experience and apply to your future academic, personal and professional life?
6. What is your plan of action to reduce your ecological footprint? Please provide a list of at least five things which you can do to reduce your ecological footprint, explain each of the five steps which you will take.
